

Prevex® Smartloc™

With overflow, 1-bowl, nut size: 1½"

Outlet: Ø 40 / 50 mm

Smartloc is the ultimate water trap for the kitchen. It is packed with clever technical improvements such as smooth oval pipes to improve flow and prevent residue build-up. Smartloc water traps are easy to install and their space-saving design can be adjusted both vertically and horizontally. And what's more, no special tools are needed if you ever need to clean them. This is what we call smart!
