Colour your kitchen

Choose either a highlighted colour or one that blends into the background. A stylish kitchen contains elegant high-quality details. Upgrade the look of your sink with a strainer, a remote knob and an overflow cover in the same colour as your kitchen tap. Matching colours make a tasteful addition to any kitchen.

The colours available: black matte, copper, gold, light gold and gun metal.

Light gold

Available in complete water traps or as waste kits with 1½" thread.
